

ASIAN LONGHORNED BEETLE

ALB Information Session in Western Massachusetts

Asian Longhorned Beetle (ALB) is in central Massachusetts. Come hear up-to-date ALB information and learn about current control measures in Worcester, directly from the local, state and federal officials who are managing this incident.

Learn to identify and report this pest. *This workshop is offered for town officials, arborists, and other tree care professionals. There is no cost to attendees, but space is limited.*
