About the MTWFA Professional Development Series

The Professional Development Series (PDS) is a group of workshops being offered by the Massachusetts Tree Wardens' and Foresters' Association, in order to give our members and others in the tree care community access to professional presentations on relevant topics. This workshop is the first in the Fall 2010 series.

Coming on October 21st:

BUCKET TRUCK SAFE OPERATIONS

WEDNESDAY
September 15, 2010

Adam Engel of Altec Industries, Inc. will lead this focused safety training for operators and ground workers.

The half-day session will consist of an indoor slide presentation and video, followed by an outdoor demonstration and time throughout for questions and answers.

Adam will be assisted by others from Altec, including their local service manager who has ten years experience as a technician in the automotive, aviation and mobile hydraulic mechanic fields.

Material to be covered will include:

- Bucket truck setup
- Mechanics of the bucket truck
- Daily inspections
- Working near electricity
- ANSI and OSHA standards
- Proper harness/belt configurations
- Emergency procedures
- Proper care and maintenance
- Suspension trauma

We are again fortunate to be guests at the brand-new facility of the Wellesley Municipal Light Plant. Many thanks to our hosts for their generosity in allowing us the use of this excellent training location.
